TS STAIN REMOVER FIRST CLASS TEAK PRODUCTS

TS STAIN REMOVER FIRST CLASS TEAK PRODUCT

Teak Solutions after 20 years of teak manufacturing for the highest profile yachts, is pleased to announce the launch of our new professional teak stain remover developer for the most demanding clients, a spot remover designed specially for your teak decks.

· Description

TS STAIN REMOVER was formulated especially for teak decks, as tested and supervised under TEAK SOLUTIONS. Additionally, removes grease and oil stains on all kind of washable or non washable fabrics (marked on the label of the garment with the symbols A and P).

· Using Instructions

1. Remove dust or other waste on the stain.
2. Shake the can before using.
3. Spray the stain from a distance of 20cm until the stain is fully covered.
4. Leave the product dry for 15 minutes
5. Brush the dust, once it is completely dry.
6. If necessary, repeat the operation.

· Recommendations

1. Treat the stain when it is still fresh.
2. Test previously the strength of color on a hidden area.
3. Do not apply on waterproof or plastic fabrics, suede or leather garment or on felt carpet.

Treat when fresh

Spray from 20cm

Wait up to 15 min
